Planning Applications for the Committee’s consideration:

The following applications were submitted for consideration:-

Application No 96773 – 3 The Custards
New bay window and entrance lobby with mono pitched roof over, new 2M high brickwork wall to front boundary

RESOLVED: To recommend that permission be granted. The proposals would tidy the corner of the site, improve the street scene and would not have an impact of neighbouring properties.

Application No 96826 – 5a The Custards
Demolition of detached dwelling and erection of two 3-storey detached dwellings; 2no refuse/cycle stores; 4no car parking spaces

RESOLVED: To recommend that permission be granted. The proposals are considered to be a big improvement on the existing, would not have an impact on adjoining properties and would enhance the street scene. In addition they would provide an additional family home on an existing site.

Application No 96856 – 9 Park Close
First floor extension to side, replacement windows, new storage shed

RESOLVED: To recommend that permission be granted but to accept the decision reached by the NFNPA’s officers under delegated powers. It is not considered that overlooking of adjoining property would take place, there would not be a detrimental impact on the street scene although it would be preferable if the shed could be placed in a less conspicuous place, namely behind the fence and across the garden. The proposals follow the precedent already set by No 7 Park Close.

Application No 96887 – Premier Coffee

Application to vary condition 2 of PP 95346 for change of use to a coffee shop (mixed A1/A3) to allow activity to take place on site outside hours of 7.00 am to 7.00 pm

RESOLVED: To recommend that permission be granted but to accept the decision reached by the NFNPA's officers under delegated powers. All activities and deliveries should be within the hours shown on the application and should cease at night. There should be no increase in trading hours.
