The Parish Council has grant money of up to £1,500 to assist local groups and organisations with projects. Grants may vary in size depending on the project, benefit to the community and available resources. Applications will be decided on their merits and no guarantee can be made that grant funds will be available.

Grants are intended for groups/organisations based in the parish of Lyndhurst, Emery Down, Bank, Allum Green and Gritnam and are designed to assist new initiatives and are not for general running costs. They can be used to assist with specific projects. Grants will not normally be awarded for:

- Schemes that have commenced prior to a grant decision
- General running costs and maintenance
- Individual requests for sponsorship
- The promotion of events
- Commercial firms

Grant application will be considered by the Parish Council twice yearly (providing funds are available) or at the behest of the Chairman.

An application form is available from the Parish Clerk (contact details above) or from the Parish Council website at [www.lyndhurstparishcouncil.org.uk](http://www.lyndhurstparishcouncil.org.uk) (under the Transparency tab)
