

# Coronavirus (COVID-19) - reopening our high streets

The government has provided funding for us to support the safe reopening of high streets and other commercial areas following the coronavirus (COVID-19) shutdown. For details, go to [GOV.UK: Reopening High Streets Safely Fund guidance](#).

Activities covered by the fund are:

- support to develop an action plan for how the local authority may begin to safely reopen their local economies
- communications and public information activity to ensure that reopening of local economies can be managed successfully and safely
- business-facing awareness raising activities to ensure that reopening of local economies can be managed successfully and safely
- temporary public realm changes to ensure that reopening of local economies can be managed successfully and safely

Activities that cannot be supported by the fund include:

- activity that already has committed expenditure and provides nothing additional
- capital expenditure on changes expected to last beyond 12 months, or until no longer required for social distancing
- grants to businesses

If you are a resident or local business we would like you to tell us what you think we should put in place in line with the government's guidance, above.

How we will use your information

## **Data protection and fair processing statement**

We will use your information to provide the service requested. We may share your personal data between our services and with partner organisations, such as government bodies and the police. We will do so when it is of benefit to you, or required by law, or to prevent or detect fraud.

To find out more, go to <https://www.lyndhurst-pc.gov.uk/privacy-policy>

Get free internet access at libraries and community hubs.

Data protection and fair processing \*

I have read and understood the data protection and fair processing statement, above
