

Lyndhurst Parish Awards 2020

Lyndhurst Parish Council is seeking nominations for up to four community awards which we hope to present at the Annual Parish Meeting in May 2021.

You can nominate anyone you think has made any contribution to the people of the Parish of Lyndhurst.

For example:

- Do you know an individual, school, group, business or other organisation who has demonstrated a commitment to the community in 2020? It may be someone who has been an exceptionally good neighbour, someone who has contributed in a voluntary capacity of some kind or shown some other form of community spirit.
- Do you know a child or young person under the age of 18/21 who has achieved something impressive, someone who has overcome an adversity of some kind or something completely different?
- Do you know an individual, group, school, business or other organisation who has done something to improve the environment in Lyndhurst, raised local awareness about an environmental issue or something completely different?
- Parish Champion: Do you know an individual, group, school, business or other organisation who has a passion for the Lyndhurst community and a track record of contributing to the Village for a prolonged period of time?

Candidates who receive more than one nomination will automatically be considered by the Parish Council; those who receive only one nomination may be considered of the Council's discretion.

The Council will consider all nominations and, depending on numbers, will draw up a shortlist. Details of the shortlisted candidates will then be posted on our website and members of the public invited to vote. The public will make the final decision unless fewer than 100 votes are received in which case the decision will revert to the Parish Council.

The deadline for nominations is noon on **31 December 2020**.

We will seek sponsorship from local businesses for each award and for the awards ceremony itself.
