## **(5) DISTRICT COUNCILLOR'S REPORT**

Council Tax in the New Forest District has gone up by 4.77% this year.

The Lyndhurst Park Hotel as everyone is aware is moving forward in the planning process. A date for review by the NFPA has yet to be agreed.

Road issues remain a concern for residents especially speed limits and crossings for school buses. It is hoped that a plan can be put in place this year and costings determined ready to move towards Grant funding.

Complaints were received from many residents regarding the Christmas Light display and the string lights. The Lyndhurst Lights and Decorations Committee are working on a plan for fundraising and installing string lights this year. A meeting is being held 25<sup>th</sup> May 2021 to review plans and determine the way forward.

The Lyndhurst Youth Club is progressing with Policies and Constitution being written and training planned and costed. It is hopeful that the club will open in September 2021 and will be managed and supported by the Community Centre.

Brightening up Lyndhurst High Street is to be worked on.

A number of people have been supported during the last year with rehousing, safeguarding support and other general requests for help. Businesses have been supported to enable them to receive Covid Grants including the Community Centre.

SLOW signs have been added to Gosport Lane and Shrubbs Hill Road. A number of pot holes have been filled after reporting, new dragons teeth installed in the car park, the bus shelter in the car park moved (needs painting), Post Office windows covered up after complaints received.

I will continue to support the residents and businesses of Lyndhurst as best I can over the coming year.

He stated that it had been a difficult year but that the Parish Council had still managed to achieve a significant amount of work.
