## Cemetery Regulations/Byelaws

### 1. General

- 1.1. These regulations are in place to ensure the peace and tranquillity of the Cemetery. Visitors are required to respect the privacy and wishes of other visitors to the Cemetery and keep noise to a minimum. All persons shall conduct themselves in a respectful and orderly manner and are reminded of Article 18.1, Offences in Cemeteries, of the Local Authorities' Cemeteries Order 1977 whereby no person shall:
- Wilfully create any disturbance in a cemetery;
  - Commit any nuisance in a cemetery;
  - Wilfully interfere in any burial taking place in a cemetery;
  - Wilfully interfere with any grave or memorial or any flowers or plants
  - Play at any game or sport in the cemetery.
- 1.2. In the following regulations "Authority" means Lyndhurst Parish Council and "Clerk" means the Clerk of the Parish Council. A section of the Churchyard has been consecrated according to the rites of the Established Church, the Church of England. A section is allotted for use by the Roman Catholic Church.
- 1.3. The Right of Burial in the Churchyard is reserved for residents of the Parish and in very exceptional circumstances former residents of the Parish. Exceptions to this policy will be at the discretion of the Cemetery Committee Portfolio Holder and Clerk of the Authority.
- 1.4. Prior Notice, of at least 48 hours (exclusive of Saturdays, Sundays and Bank Holidays) of every interment, on a form available from the Parish Council, must be given to the Clerk during normal business hours of between 9.00 am and 5.00 pm. In special circumstances contact the Clerk.
- 1.5. Hours of interment will be between the hours of 9.00 am and 4.00 pm, with no interments taking place on Saturdays, Sundays, Bank Holidays, except in very special circumstances when all fees will be tripled. The Cemetery will be open from dawn to dusk. Entrance is not permitted after this period.
- 1.6. All fees and charges to be paid to the Clerk at the time of giving notice.
- 1.7. The selection of the grave space will be made by the Clerk or other Proper Officer of the Council. Appeals against such selection should be made to the Authority. It should be noted that it is the Right of Burial to a grave space that has been purchased and not the land which remains in the ownership of Lyndhurst Parish Council.
- 1.8. Floral tributes, whether real or artificial flowers, will be removed when they have deteriorated, at the groundsmen's discretion. Memorial wreaths at Christmas, whether real or artificial, will be removed around mid-January. Small shrubs, plants or flowers may, subject to the approval of the Authority, be placed over graves, but not in the lawn burial sections of the Cemetery. The Authority reserves the right to prune, cut down or dig up and remove any of the shrubs, plants or flowers at any time when, in their opinion, the same has become unsightly or overgrown or when necessary for allowing the grave to be used again. Dead flowers, etc to be deposited in the receptacles provided for the purposes. Other tributes such as toys, personal effects,

photographs, etc are permitted on a grave or memorial if of good taste [but no more than two in number on any grave](#). No solar lights are permitted.

- 1.9 To facilitate mowing of the grass in areas used as “lawn burial grounds”, no memorials, plants or objects, other than moveable vases and plant plots, will be permitted and they are to be placed at the base of the headstone only. Empty vases left on graves will be removed by the groundsmen. These lawn burial grounds are situated in the current new areas in use.
- 1.10 Dogs are allowed in the churchyard only if on a lead.
- 1.11 Cycling or the use of a skateboard in the churchyard is not permitted.
- 1.12 Water is provided in tanks alongside the northern side of the Chapel. This water is for floral tributes and not for drinking.
- 1.13 Mobile phones must be switched off whilst in the cemetery.
- 1.14 [The Parish Council strongly recommends all grave owners obtain appropriate memorial insurance and regularly maintain or check them for safety. The Parish Council will not be responsible for any damage, theft or vandalism or any other circumstances beyond its control.](#)
- 1.15 [Visitors are requested to deposit litter, spent flowers and other unwanted items in the bins provided near the lych gate.](#)
- 1.16 [Animal interments are not permitted within the Cemetery.](#)
- 1.17 [The Council reserves the right to temporarily close public access to the cemetery or any part of the cemetery at any time without notice.](#)

## **2. Burials and Cremated Remains**

- 2.1 The Certificate of the Registrar of Deaths, or a Coroner when an inquest has been held, must be given to the Clerk, or nominated person before an interment can take place. [Interments will not be allowed without this form](#).
- 2.2 A certificate of burial rights of a grave or written authority of right to burial in a particular grave must be presented at the time notice of interment is given. [Search fees and proof of grave ownership will apply if this information cannot be provided](#).
- 2.3 [Memorial applications cannot be submitted, neither can applications be approved, prior to interment.](#)
- 2.4 No body shall be buried in a grave so that any part of the coffin is at a depth of less than 3 feet 6 inches below the level of the ground surrounding the grave.
- 2.5 No body shall be buried in a grave unless the coffin is separated effectively by not less than a 6 inch layer of earth from any other coffin already in the grave.
- 2.6 Where any grave is re-opened for the purpose of making another interment therein, no person shall disturb any human remains or remove any soil.
- 2.7. When a burial takes place the Funeral Director shall be responsible for placing a marker on the grave indicating the name of the deceased and this responsibility shall last until a permanent monument is erected on the burial plot.
- 2.8. Ashes will be buried in graves at least one foot in front of the headstone to allow for ground anchor fixing. **Scattering of Ashes is only permitted in the cremation circle or on family graves as directed by the Clerk.** In addition a member of the Authority, Registered Undertaker or a Clergyman must be present. Unofficial scattering of ashes is illegal and not permitted as various Laws and Regulations must be adhered to and records completed as to the final disposal of the remains.
- 2.9. The appropriate place for [scattering of](#) cremated remains is the Central Cremation Circle.
- 2.10 Gravediggers must be current holders of indemnity insurance which should be available for inspection at all times. Failure to comply will mean they will not be allowed into the Cemetery.

The Parish Council reserves the right to allow an excavation to be undertaken if they are not satisfied of the competence of the operator.

- 2.11 Graves shall not be dug more than 48 hours before an interment is due to take place and the area of the grave shall be entirely backfilled and the area made good on the day of interment.
- 2.,12 As soon as possible the ground should be seeded or turfed and the turf shall not be removed except of additional approved interments, exhumations or the placing of authorised memorials. Removal of turf, for reasons other than previously stated, will entitle the Parish Council to take proceedings to recover the cost of the said turf.
- 2.13 Gravediggers must ensure that all paths, car parks, etc are cleared of mud/soil and the aforementioned left in a clean condition.
- 2.14 Lawn Section burial plots may provide space for two burials, at double and single depth, six subsequent interments of cremated remains in caskets and a further six scatterings of ashes below ground (without caskets).m
- 2.15 A cremated remains plot may provide space for up to four interments of cremated remains in caskets and a further two scatterings of ashes below ground (without caskets). Casket sizes should not exceed 220mmH, 330mmL and 220mmW.
- 2.16 There is a still born section which is now full and this is maintained by the Parish Council.
- 2.17 Upon the death of the owner of the Exclusive Right of Burial it is necessary to transfer the rights to a living person so that any future burials (if appropriate) can take place and a memorial can be placed on the grave. A transfer is also needed if an existing memorial needs replacing, renovating or cleaning. The owner of the rights is permitted to be buried within their grave space without the transfer taking place. After the burial the person who has arranged the funeral and signed the interment form will be issued a letter asking them to contact the Clerk to the Council to discuss the transfer procedure.
- 2.18 Notice will not automatically be given that an Exclusive Right of Burial has lapsed. Once it has lapsed no further interments or memorials will be permitted unless the grave is re-purchased.
- 2.19 The grantee(s) of the Exclusive Right of Burial is responsible for informing the Council if the Deed of Grant has been lost or mislaid and must request a Deed of Grant reissue from the Parish Council. A Statutory Declaration will be required. Reissuing of the Exclusive Right of Burial Deed of Grant, if lost, will incur a reissue administration fee.
- 2.20 After interment no body or cremated remains may be removed from a burial or cremated remains plot without the production of an ecclesiastical faculty and/or Home Office Licence for exhumation required by law. Original documents will be required for this purpose. All burial and cremated remains exhumations must adhere to the Local Authorities' Cemetery Order 1977.

### **3. Memorials**

- 3.1. Materials of every description to be used in the construction of graves and all stones, tablets and monuments shall be moved within the cemetery in a conveyance with wheels not likely to cause damage to the paths or turf.

All spare soil must be moved and the area cleared and cleaned on completion of work. No materials, planks, corrugated iron, etc to be left in the cemetery. Gravediggers, monumental masons and their agents must be current holders of indemnity insurance (clearly stating their profession endorsed on the certificate) which should be available for inspection at all times. Failure to comply will mean they will not be allowed into the Cemetery. Copies of such insurance should be sent to the Clerk annually.
- 3.3 No memorial of any description shall be erected without the prior written approval of the Authority (see Forms). The use of NAMM (National Association of Monumental Masons)

registered stone masons or other recognised professional body will be permitted. Headstones shall be fixed using ground anchor stainless steel dowels approved by NAMM. Under no circumstances will kerb sets or fenced off grave areas be allowed in lawn burial grounds.

- 3.4 All memorials shall be installed in accordance with the current requirements of the Authority. The maximum height of a memorial shall be 4 feet 6 inches. The ownership of a memorial and the responsibility for its safety remain with the family of the deceased person/s and they are responsible for any costs incurred in making the memorial safe. Routine inspections will be undertaken and the right is reserved by the Parish Council to take such action as it thinks fit at any time in order to maintain public safety. Reasonable attempts will be made to contact families where possible when a headstone is considered to be in need of repair. If the condition of the headstone necessitates it being laid flat in order to prevent a safety hazard this will be done without reference to the relatives. No costs will be incurred by the Parish Council unless absolutely necessary and such costs will be recoverable from the relatives if remedial action has to be taken by the Parish Council. Sinking graves will be refilled if thought to be a danger to the public and remedial action will be taken to make the grave attractive and safe.

- 3.6 Memorial seats are permitted in the cemetery subject to space limitations. Seats will be located within designated areas and prior agreement for the location must be obtained from the Parish Council in writing. Seats will be regularly stained by the Authority's ground staff. Seats will be removed by the Authority once they are no longer safe for use unless they are repaired or replaced at the expense of the original provider. Permission will not be granted for seats to be placed beside any grave.
- 3.7 The planting of Memorial trees is at the discretion of the authority and prior permission must be obtained. Trees will be maintained by pruning, etc at the discretion of the Authority.

Grave stones are to be in good taste and similar to the headstones already in place. Only two etchings are allowed with subdued colours and appropriate depictions.
- 3.10 Application for Registrations must be submitted to carry out any work on erection or additional work to memorials in Bolton's Bench Cemetery. [This includes cleaning of memorials.](#) The application form must be submitted to the Parish Clerk for approval before any work commences.
- 3.11 [To place a memorial on a grave the owner of the exclusive right of burial must hold the Deed. Memorials can only be provided by approved stonemasons and no memorial shall be removed from the Cemetery without the permission of the grave owner and without the consent of the Parish Council.](#)
- 3.12 [All memorials are the sole responsibility of the grave owner, who must ensure the memorial is maintained. The Parish Council may, at its discretion, periodically inspect the condition of memorials and any memorial classified as unsafe will be reported to the grave owner for them to arrange immediate repair. Grave owners must keep their contact details up to date on Parish Council records. If repair requests are not complied with within three months, the Parish Council may remove the memorial.](#)

Memorabilia items that could potentially cause harm, offence or are a safety concern to cemetery visitors and Cemetery representatives will be removed, labelled and stored for one month. The Clerk will make contact with the holder(s) of the Exclusive Right of Burial to invite collection of the unauthorised memorabilia. After one month of storage the unauthorised items will be disposed of safely.
- 3.14 The Parish Council retains the right to move authorised memorabilia to gain access to burial plots to facilitate grounds maintenance. Unauthorised memorabilia are items which have not explicitly gained permission from the Clerk.
- 3.15 The appropriate fee must be submitted with all memorial applications.
